FINAL NOTICE BEFORE COLLECTIONS

Dear [Recipient]:

As Managing agent for the [ClientLegalName], we are contacting you regarding the past due balance on your account. The grace period for receiving and processing any association payments has expired and a balance remains open. As of the above date, there is a balance on your account in the amount of [TotalAmountDue].

Please review the attached account statement and the payment methods available below to make a payment at your earliest convenience. This is the final notice you will receive before your account is turned over to collections. Failure to pay your balance in full upon receipt of this notice could result in being turned over to collections, proceeding to placing a lien on your property. If this occurs, please be aware that under the statute governing Condominiums and in conjunction with the Master Deed and Bylaws of the Association, all expenses incurred in collecting unpaid assessments are also charged against your unit. These amounts will also have to be paid in full before the lien is removed. Additionally, in accordance with the Fair Debt Collection Practices Act, we are notifying you that this notice constitutes an attempt to collect a debt and any information provided by you will be used for that purpose.

If you feel this balance is incorrect or if you have recently made a payment and do not see it reflected on your account statement, please verify your payment has been processed by checking your bank account before responding to the accounting department. All accounting disputes should be in writing; please do not call the office to dispute account charges. Should you have any questions regarding this notice, please email [DelContactName] at [DelContactEmail]. Please include "[ClientLegalName]" in the subject line of your email.

We at In Rhodes Management understand that receiving a notice of a past due balance on your account can be confusing, frustrating and/or upsetting. Please know that we want to help each and every homeowner with rectifying their account. Please allow up to 48 hours for a response regarding an inquiry on your account or past due balance. Please be advised that you may receive this letter via email and mail. Please disregard if you have verified your payment with In Rhodes Management.

Sincerely,
[DelContactSignature]
